MENTORED ACCOUNTING EXPERIENCE

Your 6-week, fast-paced agenda includes rotations through several of our service areas including Accounting & Auditing, Tax, Consulting, Enterprise Advisory and Risk Advisory Services to name a few!

MAX interns are members of our engagement teams, working with our diverse client base and alongside our employee and management groups. They share the same responsibilities as our full-time staff members.

One-on-one mentoring and regular evaluations provide immediate feedback and documentation on performance and progress. Interns share ideas, ask questions, and learn from the best in the industry.

Freed Maxick also provides our interns with opportunities for volunteerism, a clear expression of one of Freed Maxick's core values: In it for the community.

Join us for a positive learning experience where you'll gain insight to help you choose the career path that is right for you!
